

Dear Entrepreneur,

Delivering quality service to our master distributors is my top priority, when it comes to meeting your needs, we want to be the best in the industry. While the term “service” takes on many shapes and sizes, *Tower Beverage USA* is always committed to being there for you. Whether it’s a quick answer to a question or the latest resources in promotional support and technology, one thing is certain, master distributor needs are paramount.

At *Tower Beverage USA* we have our own commitment to excellence, and it goes beyond just giving you a complete price, it includes the value of dealing with a company with over 35 years’ experience in the beverage industry, a company with a reputation for consistency and stability, an organization that takes great pride in paying close attention to detail. We understand that your customers are our customers too.

Once you establish your HitMe Energy Route and continue to develop your relationships with your stores, you can expand by offering craft soda, seltzer, and spring water. Future HitMe product lines also include energy mints and energy drinks. Read our business summary [Click Here](#)

Put simply, we do everything we can, day in and day out to be the best in the industry. Please call me immediately 24/7 at 212-220-6674 and confirm your full name and address on my voicemail if I am not available, so I can send you a sample package.

Sincere Regards,

Bill Richards
Chief Executive Officer

Profit Analysis

(example only)

	3	6	9
25	\$393.75	\$787.50	\$1,181.25
50	\$787.50	\$1,575.00	\$2,362.50
100	\$1,575.00	\$3,150.00	\$4,725.00

	Number of bottles sold per day x 7 days
	Number of accounts serviced per week
	Weekly profit after your cost of goods sold

Distributor Cost Delivered:
 HitMe Shot - \$0.75 per bottle delivered
 Sell to store for \$1.50
 MSRP*** \$2.99 - \$3.49
 Distributor profit is \$0.75 per bottle
 Note: Minimum re-order is 72 shots
 1 master case holds 72 shots which costs \$54.00 delivered to you.

Example: 3 shots sold per day x 7 days = 21 shots
 sold per week x 100 stores = 2100 shots sold per
 week x your profit of \$0.75 = \$1,575.00 per week.

NOTE: This profit analysis chart is for illustration purposes only, it is "not" a guarantee of income chart. Income earned by our distributors is based solely upon how much effort is set forth by the distributor.
