Dear Mr. Richards,

On behalf of the FDNY and FDNY Foundation, thank you and Tower Beverage USA, LLC for your generous donation of \$5,000.00 received on November 5, 2020 for the FDNY COVID-19 Emergency Fund.

As we all struggle to make sense of these uncertain times, New Yorkers can be certain that the men and women of the FDNY will continue to fulfill their sacred duty to respond without hesitation to keep us all safe.

Our FDNY EMTs, Paramedics, and Firefighters have been on the front lines of this pandemic, facing new and ever more serious challenges every day. Here at the FDNY Foundation our top priority is guarding their health and safety so that they can continue their critical work in service to all New Yorkers.

The Foundation is working closely with Department leadership to respond to whatever needs arise for increased training, equipment or support for members who are stricken with illness.

The FDNY Foundation, established in 1981 is the official not-for-profit of the New York City Fire Department (FDNY). Our mission is to promote fire and life safety education and help the FDNY better protect New York. The FDNY Foundation funds programs that advance the FDNY's goals, which include maintaining operational excellence, reaching out to the community with an array of fire and life safety programs, and ensuring that our firefighters and EMS personnel have the best available training and equipment.

Thank you again for your donation and your ongoing support of the FDNY Foundation. We hope you and your family stay safe during these difficult times.

Sincerely,

Jean O'Shea
